Honors

The Spokane Estate Planning Council has been awarded the National Association of Estate Planners & Council's Leonard H. Neiman and Walter Lee Davis, Jr. Council of Excellence Award. It is the highest honor available to an estate planning council affiliated with the association.

The Intensive Care Unit at Providence Holy Family Hospital has received a silverlevel Beacon Award for Excellence from the American Association of Critical-Care Nurses. The award is a milestone on the path to exceptional patient care and healthy work environments, recognizing caregivers who successfully improve patient outcomes.
